Please notice that the deadline for pre-registration for the Texas State Federation of Square and Round Dancers Annual Festival is May 15. The Festival will be held at the Galveston Convention Center June 10—13. Information can be found in this edition of the Where n’ When. The dance on Friday, June 11, is sponsored by and benefits the Houston Square and Round Dance Council.

Information regarding an award opportunity can be found online at squarethru.com. The Lifetime Achievement Award is a means for the Houston Square and Round Dance Council to recognize individuals or couples who have provided long term, leadership and continued dedication to dancing. These individuals/couples have achieved definitive leadership in their dancing field and, over the span of their lifetime have indelibly contributed to the advancement of folk dancing. Dancers, square dance callers, round dance cuers, clogging and contra leaders with twenty years of leadership and dancing in an HSRDC member club are eligible. Individuals or HSRDC member organizations can provide a detailed written nomination to the HSRDC president. The current Board which votes on the nominations feels that a good nomination letter contains information about the quality of the nominee’s service as well as information about the quantity of the service. The award should be for those whose performance was outstanding and whose performance had a profound, positive impact on folk dancing.

We are also beginning registration for the 62nd Annual Houston Hoe-Down which will be October 29-31, 2010 and will feature Jerry Story and Mark and Pam Prow. Hoe-Down details and registration information is in this copy of the Where n’ When.

Checking the special dance calendar in the Where n’ When and online, you will discover “A Time to Dance.”

BOUNCE THIS ALONG . . . .
Use them all the time when playing baseball or soccer. I use them when I am working the flower beds, the insects just veer around you.
1. It will chase ants away when you lay a sheet near them. It also repels mice.
2. It takes the odor out of books and photo albums that are seldom opened.

(Continue page 20)
3. It repels mosquitoes. Tie a sheet of Bounce through a belt loop when outdoors during mosquito season.

4. Eliminate static electricity from your television (or computer) screen.

5. Bounce is designed to help eliminate static cling, wipe your television screen with a used sheet of Bounce to keep dust from resettling.

7. Prevent thread from tangling, run a threaded needle through a sheet of Bounce before beginning to sew.
8. To freshen air in your car, place an individual sheet of Bounce under the front seat.
9. To prevent musty suitcases, place an individual sheet of Bounce inside empty luggage before storing.

And all this time you’ve just been putting Bounce in the dryer!
