PRESIDENT'S MESSAGE

SUPPORT---What kind of support are you giving square and round dancing? In order for any activity to survive, grow, stay healthy it must have its members doing something in order to survive. As the old adage states, "You are only as strong as your weakest link". Are you that weak link? This is not a contest of seeing who is doing the most, or, "I do more than him". Are you doing what *you* can to help keep this great activity healthy and alive? Do you care if this activity is still available for generations

to come?

There are several indications that our great activity is fading into the sunset. Not just here in the Houston area, but over the state and nation. There are clubs folding ever month somewhere. It may not be this year or even ten years from now, but before long the lack of interest to do your part will soon have an effect.

So how can you support? How can you help keep this activity alive? The first thing you do is care. Just simply caring what and how your club and square and round dancing stays in business is a start. Taking an office or being on a committee to help 'run' your club, taking charge of what that responsibility entails, then carrying it out to the best of your ability is a great beginning. Many clubs 'suffer' from the lack of members wanting to 'do anything', they just want to show up at a dance when they feel like it and not take part. Then they complain because it is not what it used to be. *Are you that dancer?*

Many single clubs has been proven not to be able to stand alone. By joining in with other clubs for support and encouragement has been helpful in the past. This is what the Houston Square and Round Dance Council (HSRDC) was designed to do. Not only an umbrella club to provide insurance, make available a newsletter (Where N When), but to provide leadership for and to clubs. It, too, needs members to care enough to serve as officers and on committees, and members to support its activities such as, President's Ball, Trade N Buy/New Dancer Jamboree, Teen Scholarship Dance, Hoedown, and council meetings. This, too, takes your involvement beyond your club responsibilities.

Your club presidents have information on a new initiative to help boost interest in our activity. In March all club presidents were invited to discuss issues concerning the drop of interest in our activity. The presidents that were present decided that something needs to be done to help our activity survive. Basically this initiative will be centered with ways and means to make our activity healthy. This initiative will be an ongoing activity that is not a quick fix, but a plan that will be in development for more than one year.

The area of Marketing was a big discussion at this meeting. It was then decided to search for a member that has Marketing skills. If this person is not found among our dancers we will then search for an outside source. Since this is not a budgeted item, it may cause the need to dip into our resources.

If you are this person, submit your name to your club president, or to one of us via email roxie_w@hotmail.com, or call 713-203-5877.

Since this is not intended to be a quick fix, but ways to improve our activity, we will need an 'ambassador' from your club that will be willing to keep the continuity. Now the question is: Is your club willing or wanting to be part of this initiative? Are you willing or wanting to share some of the responsibilities of working on making this activity healthy again?

Hope you join us soon as we are now

Bruce and Roxie

HSRDC OFFICES IN REVIEW

The offices of Email coordinator can be a busy one. This position is responsible for receiving and sending emails pertaining to HSRDC business and its member clubs. Before an email can be sent out each must be first checked for evidence of meeting the guidelines set out by the HSRDC Policy Manual. Usually these messages contain information in change of caller, location of dance, etc., or a reminder of the event coming soon. A more detailed email policy can be located on the last page of the HSRDC Rules of Order. These Rules of Order can be found on our web site www.squarethru.com. If you would like to be part of the Council distribution list send your information to hsrdc@att.net. Garland Smith is serving as the 2013 Email Coordinator. This position does not change each year.

Insurance Directors assist all clubs with any insurance problems, obtains and maintains a surety bond on the elected officers, and stays current on new issues concerning insurance needs from the state. Along with the Texas State Federation of Square and Round Dancers (TSFSRD) Membership Coordinator, the Insurance Directors maintain a current list of all member club dancers. Cindy Markos and Gaylene Bynum serve as the 2013 Insurance Directors. This is a position that does not turn over year after year. Troy and Bridgett Brown serve at the 2013 TSFSRD Membership Coordinator. They submit a list to the state twice a year.

The IRS Liaison is another position that seldom changes. As the title indicates, this office helps, advises or informs the Executive Board of any IRS regulations that might be of concern, helps or advises HSRDC concerning IRS exemption, maintains a list of HSRDC club Federal ID numbers, and assists clubs in filing for Federal ID numbers. This position requires a person with CPA skills. John Brown is serving as the 2013 IRS Liaison.

SUPPORT

What do you say about it?

What do you think it is?

Webster defines support as to bear or hold up; to sustain; to provide; to uphold; to act with; maintenance, as of a person or family; that which serves as a foundation, and about 8 more.

We seem to think that this is a key ingredient to success. We have tried to come up with a slogan HSRDC can use. Here are ours.... To us SUPPORT can be

Square dancing **U**nites **P**eople & **P**laces **O**ften 'Round **T**own

Now we would like for you to add yours.

Here is a list of words that may help you get started:

S-----smile, serve (as officers, on committees), share, start up, stand up, stand for, stand with, shout

U-----you, upon, unite, until, utilize, uniting

P-----promote, plan, promise, people, person, please, publicize, participation, participate, places

P---

O-----organize (students, dances, clubs), outstanding, often, others, outside, (be) outgoing, other-wise

R-----refreshments, regular, review, remind, 'round,

T-----train(dancers, officers), travel to visit, trips, tell others, tours, town, time, two

Now that you have it written send it to us to share.....roxie_w@hotmail.com

FEATURED CLUBS OF THE MONTH

HEY LOLLIES SQUARE DANCE CLUB

The Hey Lollies Square Dance Club was organized under the auspices of the Memorial Drive Presbyterian Church on April 8, 1965 following completion of a learners' class for 25 couples from the church. The learners' class was established by Jack and Betty Smith on January 7, 1965 with Nort Robinson, caller for the Texas Star Square Dance Club, as the instructor. The 25 graduating couples voted to organize a club to perpetuate the fun they were having and to offer other married couples (both church members and non-church-members) the same opportunity.

A number of names were proposed for the club. "Hey Lollie" was the dance tune being used to conclude each evening, so a variation of the tune name, "Hey Lollies," won the vote to become the official club name. Club night was set for every Thursday at 7:30pm at Memorial Drive Presbyterian Church.

The next learners' class started in the spring of 1965 and was taught by Rufus Honea. Other class teachers were Vernon "Red" Donaghe from 1967 to 1972, M.K. Knopp in 1972, Randy Collison in 1973, Otto Warterman from 1974 to 1981, and Bob Baier from 1982 through this current year.

Starting in September, new couples are invited to join the Hey Lollies learners' class and take lessons from middle of September through the end of March with our class instructor, Bob Baier. After graduation on the first Thursday in April and upon payment of Hey Lollies dues, these couples are welcome to dance with the Hey Lollies.

The Hey Lollies are committed to having fun square dancing and, more importantly, to developing close friendships. This latter goal is accomplished through various activities such as an annual cookout at a nearby state park, visitation after-parties, a Christmas party, and, of course, the Hey Lollies out-of-town weekend. The weekend at the end of April gives the new class members and current club members time to meet and get to know each other. During the weekend and the weeks leading up to it, through working on skits together and dancing, members bond together in ties of friendship. These special times and the closeness of our members make Hey Lollies a wonderful and unique organization.

FEATURED CLUBS OF THE MONTH

BRAZOS BOTTOM BELLES & BEAUS

Brazos Bottom Belles and Beaus Square Dance Club grew out of an act of community service in May 1972 for the 100th birthday celebration of Fort Bend County. This centennial celebration was a Hollywood type extravaganza with period costumes and all the reality that could depict the movements and celebrations of early settlers. Under the professional direction of a California film company, one portion of the pageant was a wagon load of appropriately dressed participants coming into the arena and doing a square dance to the music of “If I had a wagon I would go to California” changed to “Fort Bend County” to fit the occasion.

Daymond Mayhall agreed to help with the endeavor and soon discovered there wasn't sufficient time to teach the group square dancing in the conventional way, so a square dance was memorized, rehearsed numerous times and performed like pros. This turned out to be the beginning of square dancing in the Richmond-Rosenberg area.

The participants had so much fun square dancing and wanted to continue dancing. The interest was so high a new class was started the following September. The club was formed and the name “Brazos Bottom Belles and Beaus” because of the proximity of each town to the Brazos River. This new association of people began dancing each Tuesday night in the recreation hall of the Calvary Episcopal Church in Richmond, Texas in 1972. Daymond Mayhall became the club caller. Wendell and Shirley Lee of Richmond, Texas became the club's first presidents and contributed much to the progress of the club in its early years.

In 1992, the club celebrated its 20th year with a special dinner and roast for Daymond Mayhall. The evening was a complete success due to all the many hours of planning by so many dedicated members. In 1994, due to extensive renovation of the Calvary Episcopal Church in Richmond, the club could no longer dance in the church hall. A decision was made to relocate to the Sugar Land Community Center, 226 Matlage Way, Sugar Land, Texas.

On October 23, 2009, our caller, Daymond Mayhall, received the honor of being inducted into the Texas Square Dance Callers' Hall of Fame. The award was presented to him at the 61st Houston Hoe-Down Dance in Galveston, Texas.

Construction at Sugar Land Community Center forced us to move again in October 1, 2011. The club moved to Faith Lutheran Church, 800 Brooks Street, Sugar Land, Texas where they dance today. On February 28, 2012, Daymond Mayhall retired after calling for 40 years. Garland Smith, a very well known caller in the Houston area, became our new club caller. We also have line dancing between tips.

TRADE N BUY/NEW DANCER JAMBOREE

After interviewing the 19 'vendors' at the Trade N Buy/New Dancer Jamboree all had only good things to say about the new setup. As the 'vendors' entered the door they began setting up their tables and soon were on their way to selling. They had complete charge of their own goods and money. This was the one 'selling' point that gave the vendors the positive attitude about this event.

Garland Smith called a wonderful dance as usual. Terry Pimm did the cueing and line dancing. Although there were minimal round dancers, there were several more line dancers. The floor had up to seven squares. Many of these dancers were new dancers.

Many thanks go out to the Hanger Squares for hosting the event and providing refreshments and the caller, Garland Smith.

HEARING ASSIST UNITS

A number of clubs, callers and cuers are using hearing-assist systems. These systems consist of a transmitter that's hooked up to the sound system and receivers with ear-bud or ear-speaker worn by dancers. Dancers can purchase the receiver for around \$100.00 to \$160.00 depending on the model. The caller/cuer typically transmits voice signal (this is what most dancers who are hearing-impaired have trouble picking up).

The following clubs are using hearing-assist systems:

**Brazos Bottom Belles & Beaus
Strawberry Squares**

**Frontier Squares
Sunday Stylers**

**Hanger Squares
Carousel Club #223**

Hey Lollies

The following callers/cuers are using hearing-assist systems:

Mark Prow

Brice Hesche

Garland Smith

Randal Diamond

An assistive listening system makes a wireless, electronic connection between the sound source and your ear. This “bridging” effect eliminates the effects of distance, background noise and reverberation so that you can hear and understand better; it’s like having the sound source right next to you. If you are in the back of the room, the sound volume can be adjusted at your ear to be as loud as you want, without increasing the loudness of the background noise in the room. Even if the room is noisy or very reverberant, you should still be able to hear clearly, since the listening system is bypassing all the acoustical conditions in the room.
