May 2021

Greetings,

Thank you for your support in voting us in to lead the Houston Square and Round Dance Council for 2021. Our aim is to provide our best in bringing about good leadership to the dancers in our area. Your patience with us as we "get back into the groove" is greatly appreciated. There are a couple of things that needed our immediate attention: District Directors and completion of the Appointed Officers.

Hats off to the clubs opening back up. Hanger Squares and Tomball Promenades joined the list during the past month. Tomball Promenaders already have plans to have "refreshing" lessons to the students that were interrupted with covid and other dancers that want to "refresh" their skills.

Bluebonnet Square Dance Club have plans to have their first night back on May 17. They will have a new place to dance... Klien United Methodist Church. Many of us have danced there when attending special dances.

Other clubs not yet opened are struggling with venue situations.

Along with our new club, Texas Renegades, we now have another group that wants to join HSRDC.--- Bob's Battalion. Bob's Battalion is a plus only club that meets on Monday nights from 7-9 in the Bayland Community Center. Bob Baier is the club caller. A special called council meeting will be held May 16 to vote them into HSRDC.

How nice it is that during our struggling times of dancing, we have clubs that wish to be part of our group!

Brazos Bottom Belles and Beaus have started Square dance lessons. In fact, the "Half Way Dance" is Tuesday, May 4<sup>th</sup>. This dance will start at 7:00. Wade Driver is the teacher and is using the Social Square Dance program. Page 2 has one explanation of this method. Graduation is June 15! Join them as they show off their skills. BBBB dance at the Faith United Lutheran Church 800 Brooks St., Sugar Land, Texas.

See you in a square somewhere!

Roxie Walker and Bruce Behrens, Presidents  
Houston Square and Round Dance Council

## Social Square Dancing – SSD

In today's busy world (even with Covid19) people are finding that they must budget their time. As a result, the competition for recreation time is fierce. We have found that it is extremely difficult to get anyone to commit to 20, 25 or 30 weeks to acquire the skill necessary to participate in square dancing. SSD is the latest effort toward building our square dance population by offering the ability to dance in a much shorter time – 12 to 13 weeks. In addition, the shorter time allows us to conduct more than one set of lessons per year. While in classes, the students can help attract new students while their excitement level is high.

Basically, SSD is a compilation of movements that include all but eight of Mainstream calls. The real key, however, is that it is to be taught from **standard position only**. No all-position dancing during class. The versatility begins at graduation: Do you stop there and make SSD a destination club level? In some places that works. In others, such as Houston it does not because all the clubs are either Mainstream or Plus dancing levels with no desire to change. Many areas, however, want to begin from scratch. In foreign venues such as Japan, Europe, and Scandinavia, they are perfectly happy with the existing programs. No matter where you are, SSD is a valuable tool with which to rebuild our base after the pandemic. It is quick, it is easy, and allows the students to have fun while learning and gets them in the clubs quickly.

This is the perfect opportunity to spread the word about Social Square Dancing with the promise of a quick entry into a fun activity. My club, Brazos Bottom Belles and Beaus is conducting the first dance with the students next week after just six weeks of lessons. Graduation is just 7 weeks later, and each class is a fun, not work, experience. Help spread the word.
