**THE HOUSTON CALLERS ASSOCIATION 2012 ROSTER PROUDLY PRESENTS THE CALLERS AND CUERS OF HOUSTON**

www.houstoncallersassociation.com
May has been an exciting month with graduations, anniversary dances, & specials. Our new dancers are out and about, some sporting new finds from the Trade & Buy. We had a great time at the Wildcatters’ Funfest, just after the 2nd quarterly meeting on May 12, dancing once again to Lee Hailey from Arizona. Some of our dancers experienced progressives for the first time.

**What’s new . . . HSRDC shirts!** The board and a few others are sporting new HSRDC shirts. They are royal blue polo shirts with an embroidered HSRDC logo and our names below. Order yours! They look sharp and will help to promote square dancing as non-dancers ask about them. See the flyer elsewhere in this issue of the Where n’ When.

**Now is the time . . .** It is time for submission of your name and a letter of intent if you are interested in serving on the 2013 HSRDC board. We have served for almost 2½ years now and have thoroughly enjoyed it. The oftentimes repeated description of square dancing as “Friendship in Motion” is experienced regularly, as we get to know and to dance with many wonderful dancers around the Council area. Each club has a special flavor, and we often learn new ideas as we visit. It is also rewarding to help ensure a great future for square dancing in the Houston area. Applications for board positions should be submitted to us by July 1. If you want to start smaller, consider serving as a Committee Chairman. Those appointments will be made a little later, but it isn’t too early to let a board member know of your interest.

Club nominations for District Director are due to the Executive Board by July 15. Club rosters and insurance payments are due before the end of June. Your new graduates should be included if they have joined your club. Rosters go to Valerie Wieland; insurance payments to David Wills. It is also time to start thinking about nominations for Caller/Cuer of the Year and for Dancers of the Year. These will be due by September 1—more details in the July Where n’ When.

**Looking ahead . . .** We have more graduations, anniversaries, and special dances coming and look forward to the TX State Festival, June 7-9, at Wichita Falls. It has been suggested that, at the quarterly meeting or during any non-dancing times at the festival, we all wear our new HSRDC shirts or a royal blue shirt. (If you didn’t register in advance, but find that you can attend, —just pay at the door.) This is a great event for new dancers to attend. June 27-30 is the national convention in Spokane. You can find lots of information about it at squarethru.com via the link there. We would be interested to know all of the HSRDC dancers who plan to attend the National. If you are going, please drop us a line. We’ll be attending both festivals and hope to see you there. Looking into July, the [Teen Scholarship Dance](#) will be Saturday, July 21st at Hanger’s in Friendswood. Check the special dance calendar for more opportunities to . . .

Order Yours TODAY!
The HCA is growing! Just after the first of the year we added Mykela Greenwood as the newest caller to join the HCA. We are excited to add Ken Monroe and his taw Sandy to our roster! The Monroe’s started dancing 2 years ago and Ken started calling 3 months ago. He attended Nasser Shukayr’s caller’s school in San Antonio earlier this year. Ken and Sandy are members of Humble Wildcatters, the Do-Si-Do club and Houston Area Camping Squares. They are also members of the Texas State Camping Squares and they hold the office of Historian for that organization. Welcome Ken!

There’s a BIG dance on its way! The HCA is in the planning stages of a reunion dance honoring all past and present square dance callers and round dance instructors associated with the HCA and HSRDC. We have not yet set a date or location for this dance but we will be doing so soon. If you know of any callers (both squares and rounds) regardless if they are still living or not please email their names and some information about them to callerbrian@gmail.com. This will be a fun dance and reunion. For those of you that have been dancing a while, you will get to visit with some of the callers that you may not have seen in years. For those of you that have not been dancing very long, you will get to meet people that have paved the way for the activity you are now enjoying.

As callers, for both squares and rounds, it is our pleasure and our duty to do all we can to advance square and round dancing in the Houston area. However, we obviously can’t do it alone. Recruitment has got to be our number one priority! Without new and younger students, square dancing will continue to decline. Start thinking about who you can invite to the next class. Make a list of names and add to it as you can. Don’t just tell them to be there at a certain location at a certain time...go pick them up and bring them to Fun Night. If they are interested and had fun, they will be back the next week.

Our HCA website was down for a short while but is now up and running again. Please visit our website at: houstoncallersassociation.com. We also have our own Facebook page..."Like" us.

HEARING ASSIST UNITS

A number of clubs, callers and cuers are using hearing-assist systems. These systems consist of a transmitter that's hooked up to the sound system and receivers with ear-bud or ear-speaker worn by dancers. Dancers can purchase the receiver for around $100.00 to $160.00 depending on the model. The caller/cuer typically transmits voice signal (this is what most dancers who are hearing-impaired have trouble picking up).

The following clubs are using hearing-assist systems:

Brazos Bottom Belles & Beaus
Strawberry Squares

Frontier Squares
Sunday Stylers

Hanger Squares
Carousel Club #223

Hey Lollies

The following callers/cuers are using hearing-assist systems:

Mark Prow
Brice Hesche
Garland Smith
Randal Diamond

An assistive listening system makes a wireless, electronic connection between the sound source and your ear. This “bridging” effect eliminates the effects of distance, background noise and reverberation so that you can hear and understand better; it’s like having the sound source right next to you. If you are in the back of the room, the sound volume can be adjusted at your ear to be as loud as you want, without increasing the loudness of the background noise in the room. Even if the room is noisy or very reverberant, you should still be able to hear clearly, since the listening system is bypassing all the acoustical conditions in the room.

GUIDELINES FOR AD SUBMISSION FOR THE ELECTRONIC WHERE N WHEN

Your electronic ad needs to be the same size as your print ad. We are reproducing the print version of the Where N When, but adding color, hyperlinks, searchable text, etc.

The ads for the electronic version do not have to match the print version in content, you can add graphics, photographs and color to the electronic version of the ad.

You can submit any kind of graphic file (.gif, .jpg, .wmf, etc.) or you can submit a document (.doc, .docx) file.

Photographs are permitted, but keep in mind that the file size (the number of bytes (KB or MB)) should be reduced. Larger files mean slower loading times. Picasa is a free photo editing application that you can use to reduce file size for photographs.

To maintain the quality of the print version of the WnW, your camera ready ad for the print version should be submitted in black and white to Mary Pickens at marypickens_1@sbcglobal.net. The print version will continue to be produced in black and white. Your ad for the on-line version of the WnW, with color and graphics should be submitted to Susan Pittman at stpittman@comcast.net.

A mobile version for your smartphone is not yet available, however, most smartphones will view PDF files.

If you have questions or comments about the electronic version, please contact Susan Pittman at stpittman@comcast.net.
